This user manual provides step-by-step instructions for using this online health and beauty product ordering system. This user manual helps three types of users: customers, sellers, and admin.

## 1. Customer Dashboard

- This is the first interface that customers see as soon as they come into the system.

There are several features that customers can use in the system before logging into the system. Those features and instructions are given below.

### 1.1. Browse and Search Products

Use the search bar to filter products by category, name, or brand.

- Product search can be done using category only. For that, first, select the category and click the search button.

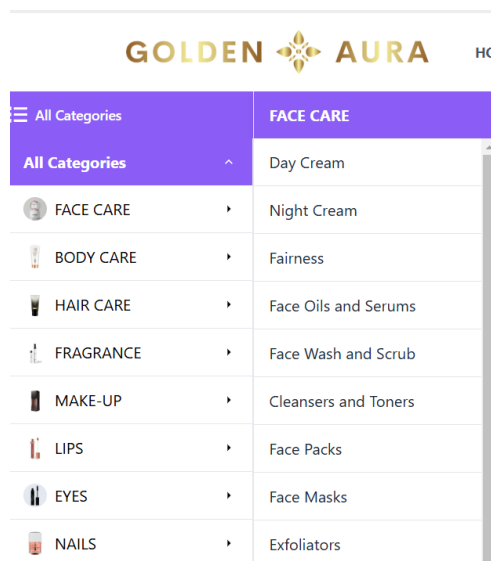

- Product search can be done using product name or brand name. For that, type the product name or brand and click on the search button.

- Product searching can be done using both category and product name/brand. For that, select the product category and then type the product name or brand name and click on the search button.

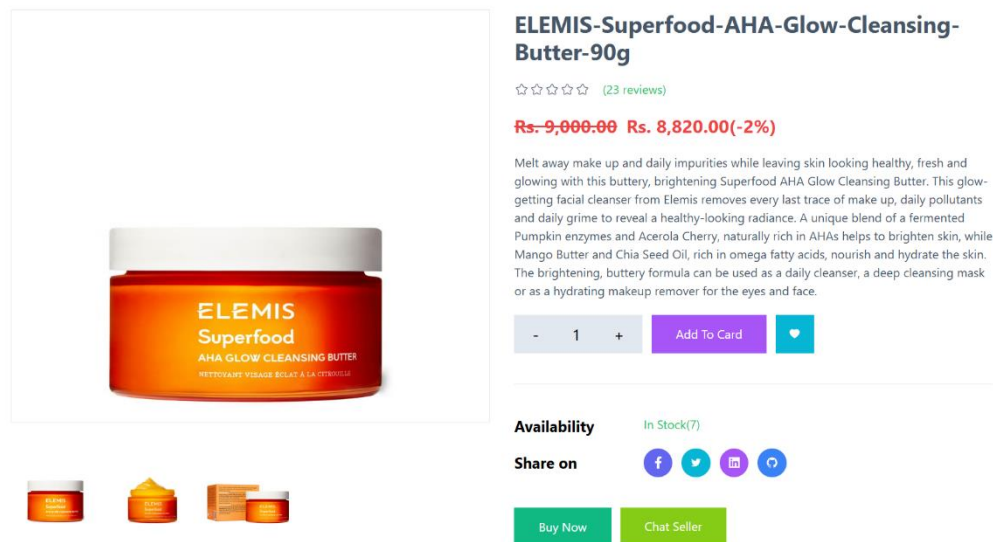

- You can only browse products by selecting both the category and the subcategory. To do this, you must first click on the “All Categories” button. Then all the product categories available in the system will appear. From those product categories, you must select the product category you want. Then all the subcategories related to that product category will appear. You must select the subcategory you want and click on it. Then you can go to the page with the products related to the selected subcategory.

## 1.2. View Product Details

- Click on a product view icon to see its details, including images, price, description, stock, and discount. Then you can directly go to the product details page.

- To learn more information about the product, how to use the product, and the ingredients used, click the Description button on the details page.

- The details page also shows other products from the same seller that sell the product, as well as products similar to this product.

### Buy Original ELEMIS-Superfood-AHA-Glow-Cleansing-Butter-90g in Sri Lanka

**Description**

Melt away make up and daily impurities while leaving skin looking healthy, fresh and glowing with this buttery, brightening Superfood AHA Glow Cleansing Butter. This glow-getting facial cleanser from Elemis removes every last trace of make up, daily pollutants and daily grime to reveal a healthy-looking radiance. A unique blend of a fermented Pumpkin enzymes and Acerola Cherry, naturally rich in AHAs helps to brighten skin, while Mango Butter and Chia Seed Oil, rich in omega fatty acids, nourish and hydrate the skin. The brightening, buttery formula can be used as a daily cleanser, a deep cleansing mask or as a hydrating makeup remover for the eyes and face.

**How To Use**

- Use every morning and evening.
- To use as a makeup remover, apply to a cotton pad and wipe gently over the face and eyes.
- To use as a daily cleanser, massage a coin-sized amount into dry skin and rinse off with warm water.
- To use as a deep cleansing mask, apply a thin layer to the face and leave on for 10 minutes before rinsing.

#### 1.4. Write Review

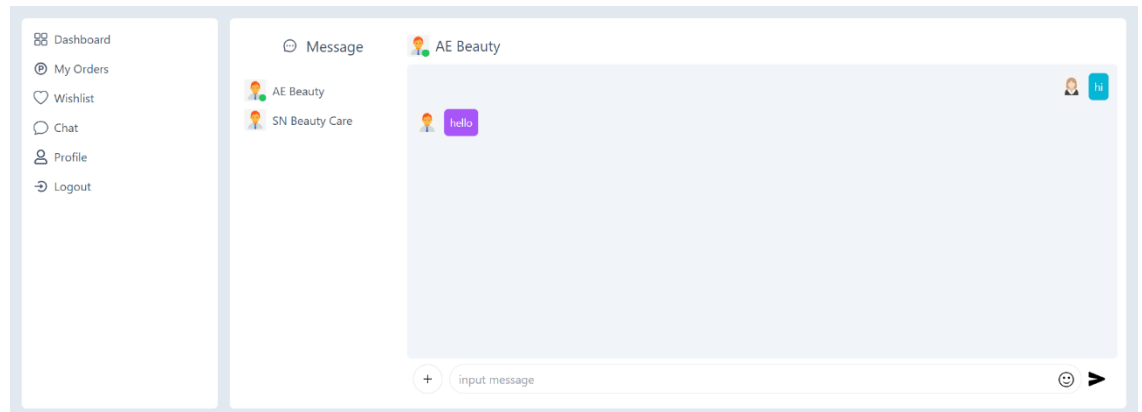

- Click on the product view icon and go to the product details page.
- After clicking the review button, write the review, rate the product, and click the submit button to submit the feedback.

The image shows a product review form. At the top, there are two tabs: 'Reviews' (active) and 'Description'. Below the tabs, the current rating is '5/5' with five yellow stars. To the right, there is a star rating legend showing five stars with counts: 5 stars (1), 4 stars (0), 3 stars (0), 2 stars (0), and 1 star (0). Below this, it says '1 Reviews'. Underneath, there is a section titled 'Product Reviews 1' showing a single review from 'Dilrukshi Manjula' dated 'October 29, 2024'. The review text is 'Good quality products, fast delivery. Great choice of organic brands. Highly recommend!'. Below the review, there is a star rating bar with five stars. At the bottom, there is a text input field and a 'Submit' button.

#### 1.5. Chat with Sellers

- Click on the product view icon and go to the product details page. Then click the chat seller button on the product details page and go to the chat section.

- If you have chatted with the sellers before then you can go to the chat section in the customer dashboard after clicking on the username.

## 2. Seller Dashboard

### 2.1. Manage Products

#### 2.1.1. Add Product

- Go to the Add Product section.
- Fill out the form with product details (name, category, price, stock, images, etc.).

## 2.6. Profile Management

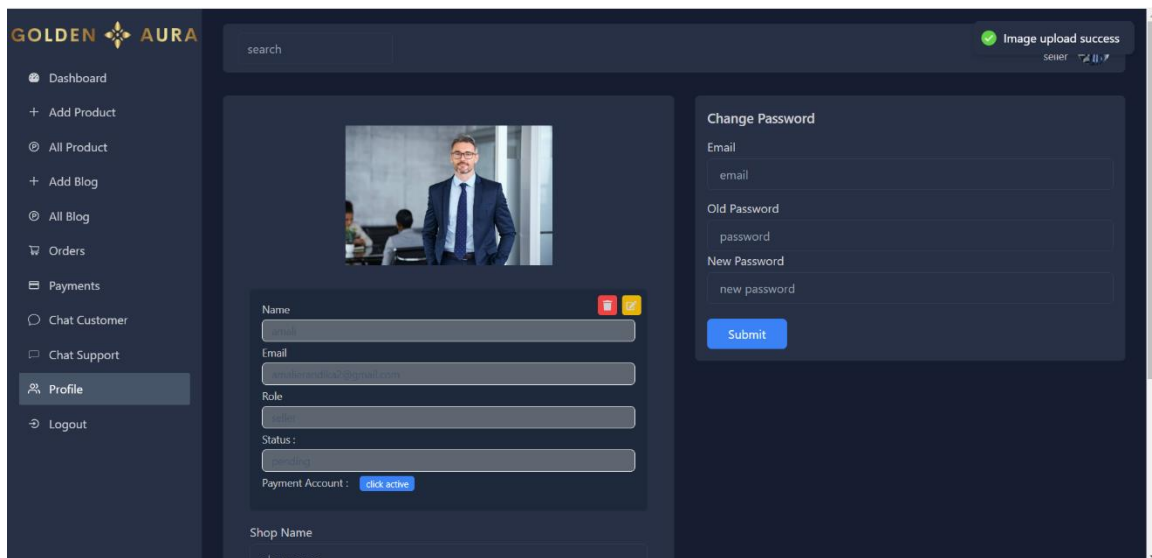

- Go to the Profile section.

### 2.6.1. Add Image

- Click 'Select image' and select Profile image from the computer.

The screenshot shows the Golden Aura dashboard with the Profile section selected in the sidebar. The main content area displays a profile card with a placeholder for a profile image and a 'Select Image' button. Below the image placeholder are form fields for Name, Email, Role, Status, and Payment Account. The 'Change Password' section is visible on the right side of the dashboard.

The screenshot shows the Golden Aura dashboard after a successful image upload. The profile image placeholder is replaced by a photo of a man in a suit. A green notification banner at the top right indicates 'Image upload success'. The form fields for Name, Email, Role, Status, and Payment Account are still visible, along with the 'Change Password' section on the right.

### 2.6.2. Add Shop Details

- Fill in the shop details section and click on the 'Update Info' button.

The screenshot shows the 'Golden Aura' dashboard with a sidebar menu on the left containing options like Dashboard, Add Product, All Product, Add Blog, All Blog, Orders, Payments, Chat Customer, Chat Support, Profile, and Logout. The 'Profile' section is active. The main content area displays a form for adding shop details. The form has two sections: the top section contains fields for Name, Email, Role, Status, and Payment Account (with a 'click action' button); the bottom section contains fields for Shop Name, Province, District, and City. A 'Submit' button is located at the bottom right of the form. A notification banner at the top right indicates 'Profile info add success'.

### 2.6.3. Edit Shop Details

- Click the edit icon.
- Edit shop details and click the 'Save Changes' button.
- Refresh the Page.

This is a close-up of the 'Edit Shop Details' form. It contains four input fields: 'Shop Name' (with the value 'Ae beauty'), 'Province' (with the value 'Western'), 'District' (with the value 'Malabe'), and 'City' (with the value 'New'). A blue 'Save Changes' button is positioned at the bottom of the form.
